

Your Tomorrow Shall be Greater Than Today

Psalm 109 : 7

Yesterday is a day before today. But it is really more than that. It refers to a day behind us. Where will be no today, if there was yesterday, and there will be no tomorrow if there is no today.

The end of yesterday is the beginning of today, and the end of today is the beginning of tomorrow.

IS YOUR YESTERDAY IMPORTANT?

Yes, if you do not know yesterday, you may not be able to handle today and to a large extent in your future. Today is the product of the seed sown yesterday. There is hardly anything to be done about your past. But we can learn from yesterday experience to strengthen today. Some have had a very rough yesterday, and they allowed it to ruin their today

PRAYER

May yesterday not cripple your today. How can you handle today, affects how your tomorrow will be. Today is cash, while tomorrow is a predicted Cheque.

MANAGE YOUR TODAY WELL.

If your yesterday was bad, fight hard today to change the narrative today. So tomorrow will be better.

CHANGE YOUR NARRATIVE TODAY

Enough of complaining about the bad yesterday, stand up and fight for your today. Today, if your parents left a bad name for your family, you can change it. Do not put till tomorrow what you can do today.

TOMORROW

There are many with good beginning that end life woefully. May your tomorrow not betray you. May it speak well of you. (Heb 13:8)

3 Things God wants us to do.

1. Put the past behind us.
2. Come alive spiritually in the present
3. Display his grace in the future.

The Lord reserve the best for the last, as long as you abide in him. (You tomorrow will surely be greater, brighter and glorious than today)—John 2 : 1, Haggai 2 : 9.
